The Earth Machine

Up to 30% of all household waste can be composted right in your back yard with the EARTH MACHINE™! Use natural compost for a healthy lawn and garden.

- 80 gallon capacity, the ideal size for maintaining an active compost pile.
- Lightweight and easy to assemble
- Adjustable ventilation
- Made with 50% recycled plastic
- Twist locking pest-resistant lid
- Off-set retrieval door for easy harvesting
- 10 year warranty

Systemn Rain Barrel

Rain water, free from chemicals, is an excellent water source for lawns, plants, and gardens. Using a rain barrel conserves municipal water and cuts household water bills by up to 40%.

- 55 Gallon capacity
- Conserve municipal water
- Unique shape and neutral color
- Made of up to 50% recycled materials
- Incorporated mosquito mesh
- Easily accommodates existing downspouts
