

Legal Notice: Decision of the Inland Wetlands and Watercourses Agency

At its September 18, 2019 meeting the Agency:

1. Finds that the removal of material from the retention pond on the south side of the driveway for Powder Ridge Ski Area, Powder Hill Road, is considered to be a soil conservation measure and therefore exempt under Section 4.2(a) of the Middlefield Inland Wetlands and Watercourses Regulations. The Commission requests prior notice to the WEO before commencing future work. Applicant/Owner: Sean Hayes.

Dated in Middlefield, Connecticut this 27th day of September 2019.
