Decisions of the Inland Wetlands and Watercourses Agency

At its December 16, 2020 meeting the Agency:

1. Determined that the proposal for parking lot drainage improvements is within 100' of a delineated wetland and will not have a significant impact on the wetlands or watercourses and therefore approves, with conditions, the plans described in the November 30, 2020 letter prepared by Nathan L. Jacobson and Associates Inc. Applicant: CT Gardens, LLC d/b/a My Agway Smithland Supply Agway, 147 Meriden Road.

Dated in Middlefield, Connecticut this 21st day of December, 2020.
