

# Storm Brush Pickup - starting February 11

Due to the recent storm, Public Works will conduct a special brush pickup the week starting February 11, 2019, weather permitting. Please have all brush at curbside before the start date to insure pickup; only one pass will be made on each road. Regular brush pick-up will be held in April.

Brush piles needs to be placed at the curb with:

- the cut end toward the street
- branches not exceeding 8' in length or 4" in diameter
- a 4' maximum height
- 10' distance from telephone poles and mail boxes
- no stumps or processed wood.

***Piles not conforming to these requirements will not be picked up.*** This service is for storm damage only, not newly cut trees or land clearing, and has a limit of one truckload for each household.

Questions: Contact Public Works,  
7AM-3:30PM at 860-349-7118.
