

Town of Middlefield, Connecticut

Water Pollution Control Authority Special Meeting June 21, 2023 Minutes

Call to Order by Gregory P. Makuch, Chairman at 6:05 p.m.

Members Present: Gregory P. Makuch, Robert Veeley Vice Chairman, and Robert Monthei. Members absent: Rich Rynaski and Roberta Curtis. Also absent: Rob Poturnicki, Ex-Officio (non voting).

Motion by Greg Makuch to approve the agenda, 2nd by Bob Veeley. Motion carried.

Motion by Greg Makuch: "Peter Parker is retiring on July 31, 2023 from his part time position with the WPCA. Upon his retirement, Rob Poturnicki former WPCA Chairman will fill this position". Motion carried.

Other:

Mattabeseck Road Pump Station: Pump #2 is still not back in operation due to an electrical component failure within the pump control system (see WPCA Meeting of June 7, 2023). Blake Equipment is having issues locating a replacement component, the pump control system is somewhat outdated.

The WPCA Chairman is taking steps to prepare the emergency portable pump (CH&E Pump) for operation. Ordered (June 13) and received new 4-inch diameter suction and discharge hoses. Blake Equipment will assess the condition of the emergency portable pump and perform any necessary maintenance work. This pump has never been operated per Pete Parker. Blake Equipment will also assess the piping within the station and perform any necessary modifications required to connect the emergency portable pump to the station.

Meeting adjourned at 6:20 pm
