

Emergencies can happen at any time. Does your family know how to get in touch with each other if you are not all together?

Before an emergency happens, have a family discussion to determine who would be your out-of-state point of contact, and where you would meet away from your home — both in the neighborhood and within your town.

let them know
you're OK!

Pick the same person for each family member to contact. It might be easier to reach someone who's out of town.

Fill in this information and keep a copy in a safe place, such as your purse or briefcase, your car, your office, and your disaster kit. Be sure to look it over every year and keep it up to date.

FEMA

Pick a Meeting Spot

Where will you meet up with your family if you have to get out of your house quickly? Where will you meet if your neighborhood is being evacuated and you're not at home?

In your neighborhood:

(such as neighbor's house or big tree)

Out of your neighborhood:

(such as the library or house of worship)

Draw a Map

Put a Δ to show your home. Put a O to show your school. Mark your out-of-neighborhood meeting spot with an X and label it.

Know the Exits

Do you know two ways out of every room in your house in case of a fire? Draw a floor plan of your bedroom in the space below and circle the two ways to get out. Hint: one may not be a door!
