In addition, any waste hauler or collector shall report to DMIAAB (A) the types of solid waste, including recyclables, as listed in subsection (c) of section 22a-208e of the Connecticut General Statutes generated within the borders of Durham and Middlefield delineating the first destination where such solid waste, including recyclables, was delivered by the collector during the previous fiscal year, and (C) the types and actual or estimated amounts of such solid waste, including recyclables, directly delivered to an out-of-state destination or to an end user or manufacturer in the state. Such reports shall be submitted to the municipality annually, on or before July thirty-first, and shall provide the information specified in this subdivision for the prior state fiscal year. Such reports shall be on a form prescribed by the Commissioner of Energy and Environmental Protection and shall include any other additional information the commissioner deems necessary.
